CONFEDERACIÓN POREL MEJOR INTERÉS DE LA INFANCIA

---

Dear Sirs:

Thought this letter we are glad to inform you that CEMIN, Confederation for the Children Best Interest, has provided the attached candidature to be assessed by the Princess of Asturias Foundation in the Concord category 2019.

**Candidature Merits:**

“CEMIN, the Confederation for the Best Interest of the Children, presents this candidature as example of commitment, work and perseverance in the defense of the children rights. Universal rights that must be guaranteed in any place of the planet, regardless of the nationality and residence of the minor. In addition, the candidature represents a recognition and a new hope to those parents who suffer discrimination after a separation and are witness of a restricted relationship with their own children.

An international and multidisciplinary team encouraged by a Spanish father who works towards, on one hand, that after a divorce the minors keep a normalized relationship with both their parents and not just with only one, attending always to the interest of the children and promoting their adequate development, and on the other hand, to guarantee the rights established in the Convention on Children 's Rights of United Nations (UN) to know their identity , their origins , to keep their family ties and with the countries they are nationals.

The collaboration among the parties including the judicial system of Dubai, it has boosted the application of the international human rights law rules which protect the children and the standards established in the countries that the minors are nationals , all of this within a procedural framework where all the allegations were prepared in Spanish and English to finally be provided in Arabic. And is that Dubai is the reference of the Middle East, region of the world inhabit by more than 400 million people. Dubai is for many the symbolic capital of MENASA "Middle East, North Africa & South Asia", territory of the world with a population of more than 2 billion human beings . Dubai, co – founder Emirate of the country United Arab Emirates, has exemplarily famed and is absolutely committed on leading a moderate social change that is also reference inside the Islamic world that currently constitutes a fourth part of the humanity.”

The reason for approaching your esteem and renown organization is to humbly request your support and back up to this initiative for the reasons stated by us in the merits description.

If you deem right to support this proposal, please send us an original letter signed and stamp stating the reasons before 26<sup>th</sup> of March, providing us with a colour scan advance copy to allow us to comply with the submission protocol on time
